

OFFICE DELUXE CHAIR WITH HEADREST

The executive-level Deluxe Office Chair sets a standard in purposeful design. Its appealing contemporary styling belies its ergonomic versatility and practical durability. The chair features free float knee tilt, independent back angle adjustment, and infinite tilt lock positions. A seat slider is standard. These adjustments maximize personal comfort and provide support that relieves pressure on the back, legs and even internal organs. Available in three back heights, two seat widths, with an optional height/angle headrest and mobile arm pad option for today's computer driven office environment.
